Reporting Parameter	Details
Number of days cameras used since installation.	
Has there been new dumping at the site?	
If yes, did the cameras capture usable evidence?	
If yes, have you found other evidence in the trash?	
Have you involved your enforcement partner? If so, please provide copies of citation and photos used.	
Total number of violators identified since installation	
Are you receiving regular transmissions from the wireless camera?	
Even if not of dumping, are all cameras capturing clear images, especially the license plate camera at night?	
Are you having difficulties with any of the cameras?
